

Big Business Performance For Small Workgroups and Home Offices

- Taking the Hassle Out of Faxing
- Choose the Right Consumables Option for Your Budget Needs
- Delay Send Mode Saves on Call Charges
- Robust, Compact Design

Wherever you work, the Samsung SF-650 monochrome laser fax and the SF-650P multifunction printer have the features and technology to help you work more efficiently and cost-effectively. And the compact design means you can get all these benefits, even if space is at a premium.

Taking the Hassle Out of Faxing

The Samsung SF-650 is geared to deliver faster, more efficient fax communication. The control panel features 20 assignable buttons for one-touch dialing, and you can also store up to 250 frequently used numbers for speed dialing. You can also store up to 269 contacts, in up to 250 groups of numbers or circulation lists for Group Dialing to multiple locations. The multi-send feature can also store 30 contact numbers, so the same fax message can be sent to everyone at once. So however many people you need to fax-and however often-the Samsung SF-650 makes it quick, easy and efficient.

Choose the Right Consumables Option for Your Budget Needs

The Samsung SF-650 offers a choice of consumables to meet your cash-flow needs. High-yield toner cartridges, which are ideal for heavy use, last longer and give you lower costs per page. Optionally, low-yield toner cartridges have the advantage of lower initial outlay.

Robust, Compact Design

The compact design and sturdy construction are what make the Samsung SF-650 ideal for small workgroups or small

Delay Send Mode Saves on Call Charges

The Delay Send button on the control panel stores documents in memory, and allows you to send them during a predefined time period when off-peak call charges apply – allowing you to make significant savings on your phone bill.

Full-Feature, Quality Scanning

Equipped to deal with the most demanding document handling requirements, the Samsung SF-650 offers standard resolution up to 600 x 600 dpi, enhanced resolution up to 4,800 x 4,800 dpi, and scan to PC feature.

office/home office locations. The smart, compact design means it looks good but doesn't take up all your valuable desk space. The tasks of adding paper and replacing toner cartridges are quick and easy, so downtime is minimal and you stay productive longer.

High-Speed Fax

A 33.6 Kbps modem speed makes for fast communication and enhanced efficiency. What's more, 7MB of memory on both models means you can store up to 500 pages of information

Fast, Efficient Copying

Copy speed is an impressive 19 cpm. A 250-sheet cassette gives you greater paper capacity and gives you more copying time between refills.
